

ROBERT NIELD

Art & Design / Motion / Post-Production

Linkedin: <https://www.linkedin.com/in/robertnield/>

Website: <https://www.null-object.com>

Profile:

Senior motion designer & post-production lead with 15+ years of experience delivering high-impact visuals for AAA gaming, broadcast, digital and live events. Expert at bridging narrative storytelling with technical execution — from defining the motion language for new IPs to managing post-production teams and delivering clear, purposeful visuals for film, education, and data-visualisation.

Disciplines:

Narrative editing, motion identity and design systems, UI motion, compositing, projection mapping, storyboarding, animatics, graphic design, media management, version control & trouble-shooting.

Tools:

Expert level using Adobe Premiere, Photoshop, Illustrator and After Effects (plus Red Giant and Trapcode, Mocha, Video Copilot, Newton, etc). Other software inc: DaVinci, Figma, Rive, Procreate, UE5 Sequencer and Blender.
